# Ideal Store Display

We strongly encourage our authorized dealers to create a nice store display of RHYTHM clocks to maximize their sales. The good display absolutely makes a huge difference. Here is just an example of the ideal store display for RHYTHM clocks. We offer some sales materials to dealers to assist your store sales.

- 10 feet or more of wall display is preferable. Slat wall enables you to change position of clocks as you like with flexibility and allows for a nice display based on what you carry. Overhead Track Lighting enhances the appearance of our clocks.
- Display at least 10 or more different wall / table clocks including 3 major product categories Magic Motion Clocks, Musical Motion Clocks, and Wooden Musical Clocks.
- Use our free 'Ask for Demonstration' sign (Order 'HangSign2010' on page 54 with your clock order).
- Use our free 'Descriptive Model Tag' that tells the basic features about the clock as well as titles of melodies that a clock plays (if any). (Order 'tag\_2014' on page 54 with your clock order)

- Use our free 'Price Tag' (Order 'PriceTag' on page 54 with your clock order).
- Use our free 'RHYTHM Sign(s)' in the center of the display (Order 'Sign\_2007' on page 54 with your clock order).
- Use our free 'Handout Flyer with Stand'. This will bring the undecided customers back to your store (Order 'mm\_flyer2013' and 'Flyer Stand' on page 54 with your clock order).
- Use our Wooden Clock Display Stand that can be placed anywhere even if wall space is limited (Order 'Displaystand' on page 54 with your clock order).
